Pope John Paul II proposed the Rosary as an effective weapon against the evils now afflicting society: "Today we are facing new challenges. Why should we not once more have recourse to the Rosary with the same faith as those who have gone before us? Today I entrust to the power of this prayer the CAUSE of PEACE and the CAUSE of the FAMILY". The Rosary is by its nature a Prayer of Peace: it consists in the contemplation of Christ, the Prince of Peace. The Rosary is also and always has been a Prayer of and for the Family. It is important not to lose this precious inheritance. The Family that prays together stays together. The Family that recite the Rosary together reproduces something of the atmosphere of the household of Nazareth; its members place Jesus at the centre, they share His joys and sorrows, they place their needs and their plans in His hands, they draw from Him the hope and the strength to carry on.

**The Rosary follows the life of Our Lord
From His conception to His death,
And then to His Resurrection**

Emmaus Vocation Journey

Wondering where God is calling you in life? Wondering if putting your gifts and talents at the service of God through the priesthood or religious life is what you should be doing? Why not give one morning a month for the next six months looking at these questions. The Emmaus Vocation Journey is an opportunity for men and women between the ages of 19 to 35 or so to pray together, to discuss and to learn about priesthood or religious life.
