WORLD MEETING OF FAMILIES 2018 - CONGRESS & PAPAL VISIT

Christian marriage and family life are only seen in all their beauty and attractiveness if they are anchored in the love of God, who created us in his own image, so that we might give him glory as icons of his love and holiness in the world. Fathers & mothers, grandfathers & grandmothers, children & grandchildren: each and every one of us. All of us are called to find, in the family, our fulfilment in love.

Pope Francis, Festival of Families, Croke Park, Dublin, 25th Aug 2018

I know how important the tradition of the family rosary has been in this country. I warmly encourage you to continue this tradition..... Mary is Mother. Mary is our Mother and the Mother of the Church, and it is to her that we commend today the journey of God's faithful people on this emerald isle. We ask that our families be sustained in their efforts to advance Christ's Kingdom and to care for the least of our brothers and sisters. Amid the storms and winds that buffet our times, may families be a bulwark of faith and goodness, resisting, in the best traditions of this nation, all that would diminish our dignity as men and women created in God's image and called to the sublime destiny of eternal life.
