The Archdiocese is inviting every parish to nominate at least one young adult to participate on a new leadership programme called "**Foundation Leadership Programme for Young Adults**".

This programme is designed to provide a forum wherein the diocese can help facilitate and develop our future community leaders. It is a dynamic, integrative and highly practical programme which will enable the participants to begin developing their skills as leaders and role models within their local faith based communities. Pope Francis reminds us that 'young people are the windows through which we see the future' and the local parish is the seed bed for these young people to discover and grow in faith.

For further information please contact the parish pastoral council through the parish office.

MUSINGS

Today's feast commemorates the cathedral church of the Bishop of Rome (which, incidentally, is St John Lateran, not St Peter's). The popes lived at the Lateran for almost a millennium before they moved to the Vatican. However, there was an earlier feast celebrated on 9 November – that of the 'Passion of the Image of Christ' – which grew out of the legend of a violent attack of iconoclasm against a painting of Christ in Beirut. It's fitting, then, that we continue to remember the plight of Christians in the Middle East whose very existence in the region is under continued threat.

Please pray for the happy repose of the Mary O'Connor whose funeral took place this week. We also remember in our prayers those whose anniversaries occur at this time. May they rest in peace. Amen.
