**Day for Life prayer**

Holy Mary, Mother of Love,  
holding in your arms the fruit of your womb,  
graciously look upon our earth and remove from it  
all that hardens our hearts and dims our eyes  
to the preciousness of human life,  
from the moment of conception to natural death.

Through the example of your tenderness  
teach us the ways of compassion and love  
that we may build up the civilisation of love among us  
and a society that is truly worthy of the human person.

Help us to reject all that contributes to a culture of  
death,  
and to work with others of goodwill  
in promoting the culture of life.

Bring us ever closer to your Son,  
so that we may know the fullness of life that he offers  
us  
and come to know that life more perfectly,  
with you, and all the angels and saints,  
in the eternal life of Heaven.

Amen
